

BYSA Hockey Boys/Girls Placement Policy

BYSA Hockey will request all girls to enter the U-12, and/or the U-14 program after completing the mite program. All girls that are Mite eligible will participate in the Mite program.

All girls currently enrolled in the BYSA Hockey program, House Mite through Midget, prior to February 17, 2004, shall be exempt throughout their participation in the BYSA Hockey program.

Any girls above the age limits of the Mite program should immediately join the U-12/U-14 program.

Any girl joining BYSA Hockey after February 17, 2004, may petition the Board to be evaluated to participate in the "Boys" program. The Coaching Director and two coaches of his choice shall evaluate two practices, and determine the proper placement of the petitioner. There is no appeal of the final decision.
