

### **BYSA Players / Eligible High School Players Policy**

Fees for High School Students that intend to tryout for their High School team and are age eligible for the BYSA Hockey Program are as follows:

**33% of the full registration fee and the \$100.00 Sponsor fee** will be required prior to skating with BYSA. Per USA Hockey rules, if a player makes the High School team they are no longer eligible to play with BYSA Hockey. A player may come back and play in the Regional tournament only if the following conditions are met:

1. Your youth team wins the State Championship
2. Your High School team's season has ended
3. You have played the required number of games prior to starting the High School season
4. There is a roster slot on the youth team

If a player doesn't make the High School team and remains on the BYSA team, the full payment of the BYSA fees must be made prior to November 30.

If the remaining registration fee is not paid before November 30, the player will lose the discount (if taken), and be prohibited from all BYSA practices and games.
