

Snack Bar Equipment Rental Policy

BYSA Hockey is a non-profit organization, with fundraising activities such as the selling of hot dogs and or popcorn. Other organizations have occasional need to utilize the hot dog griller or popcorn machine, but don't find it advantageous to purchase their own because of the cost. In the past, BYSA has loaned out their equipment in good faith for an occasional charitable donation. If for some unforeseen reason it was returned in non-working order it would be the responsibility of BYSA Hockey to repair or replace the equipment.

To offset the cost of future replacement of this equipment, it will be required that the requesting organization pay a rental fee of \$100.00 plus a deposit of \$100.00 for each piece of equipment at the time of pickup. The equipment should be returned in the same condition as it was picked up. If the equipment is returned and has to be cleaned, \$25.00 will be deducted from the \$100.00 deposit. The deposit will be returned when the equipment is found to be in working order.

I agree to pay such fee as stated above and surrender deposit if the equipment is returned in non-working order.
